It's a rare combination of adventure and indulgence they won't find anywhere else. Yes, our itineraries have it all. Yes, we have experts leading you ashore. This is no ordinary excursion. This is a Silversea Expedition.

Capture Godafoss Waterfall in Iceland

Endless ways for deep discovery included

ZODIAC® CRUISING

There's nothing like venturing into the wilds of the Amazon rainforest by Zodiac or catching sight of an Atlantic Puffin scuttling along Scotland's shores. Our Expedition Team will get you close to the action, all you have to do is climb on board.

LAND ADVENTURES

Our land adventures offer the opportunity to get up close and personal with extreme landscapes and rare wildlife while trekking on foot. Hikes among unique fauna introduce guests to new friends like Howler Monkeys and Alpacas.

KAYAK AND SNORKELING EXPLORATION

Barrier reefs and Humpback Whales are impressive from afar, but there's nothing like floating through snaking mangrove forests in silence or having a giant Whale Shark glide right beside you. Under the guidance of certified kayak and snorkel instructors, guests get to paddle through fjords and snorkel the world's best natural aquariums.

ADVANCED LECTURES

We prepare guests for onshore excursions with the best of the best as our professional naturalists, biologists, historians, and geologists provide them with insider information about what to expect onshore and in the water. They'll share captivating details about the land, water, and wildlife of each expedition destination.

COMFORT MEETS DESTINATION IN THE GALÁPAGOS

Mindful travel at the forefront of design

Enjoy total relaxation in the Royal Suite

The first destination-specific ship built by Silversea, *Silver Origin* is the height of experiential travel in the Galapagos. Never before have the islands been so superbly presented: a team of Ecuadorian national expert guides, the highest crew-to-guest ratio in the Galapagos, 8 Zodiacs, seamless hybrid spaces that offer an extraordinary voyage – for extraordinary people.

TRANSFORM YOUR IDEA OF TRAVEL

Silver Origin offers immersion far beyond excursion. She is one of only two ships sailing in the Galápagos to feature dynamic positioning – meaning no anchor to damage the delicate sea-bed ecosystem. She is also plastic free – guests are gifted a metallic reusable water bottle.

No matter where they are on *Silver Origin*, guests will always feel immersed in these islands, thanks to large floor-to-ceiling windows that extend throughout the ship. They might even spot a sea lion relaxing on shore through the glass horizon balcony or private ocean-view shower.

They'll get the opportunity to become an expedition expert at the new Basecamp, a "knowledge lounge" that opens directly onto the marina with easy access to the Zodiac deck, and savour truly authentic Ecuadorian recipes using only the freshest local ingredients accompanied by the best regional wines.

Silver Origin is the only ship in the entire Galápagos region to offer butler service in every suite. In fact, with the highest ratio of crew per guest in the area, we give guests a personal touch that makes their experience on board as special as their visit to the islands themselves.

Soak in your ocean-view whirlpool bath

All-suite accommodations

Silver Origin's suites offer sophisticated interiors, with an ocean-view bathtub, balcony shower, and pioneering Horizon Balcony, as well as our superb butler service for every suite, regardless of category.

Explorer Lounge

Meet for briefings with your Expedition Team by day, unwind with oceanfront views and live music by night.

Basecamp

The perfect meeting point for Zodiac excursions, the Basecamp has been specially designed to offer guests a chance to prepare for their next adventure.

Observation Lounge

The ideal spot to relax, read a book picked from the curated library, and enjoy sweeping views from the bow.

Eco-Focused

Our carbon footprint is well below standard to preserve one of the world's most important protected natural areas.

VALUE PROPOSITION

The Silversea Difference

Wondering how to find a luxury customer? What if we told you, you already have them. In recent years, Silversea has focused on introducing new luxury customers to the brand. One of our biggest opportunities lies within the premium cruise market. Guests sailing in the larger suites in premium lines often expect a better experience than what they may receive. Our inclusive ultra-luxury lifestyle presents a compelling value proposition.

This section highlights the value in Silversea cruising by displaying the difference in small ship cruising with spacious suites and personalised service, comparing the onboard charges your clients incur on premium lines. Therefore, making Silversea one of the highest value cruise experiences in the industry. See for yourself the little difference in cost between an ultra-luxury experience and a premium product.

SALT FLATS AND STARRY NIGHTS: WHY YOU NEED TO VISIT CHILE'S ATACAMA DESERT

By Matthew Scott

As the driest non-polar desert in the world, the torrid yet alluring Atacama Desert is like nowhere else on Earth. Set in the northernmost reaches of Chile, this strip of barren land spans more than 40,000 square miles and, in some places, ripples and swells like a geographical accordion. Precipitation is a rare miracle in this arid expanse; some parts, unbelievably, receive less than 0.12 inches (3 millimeters) of rainfall per year. This is Mother Nature at her harshest.
